

## RVERS of IDAHO

### February 2026 Newsletter

Hello everyone, I hope you are all doing well. Camping season is approaching quickly. Pat Wyatt and the committee are putting together the particulars for our summer rally, and it's looking like it will be a great event. The rally will be 9-14 June at Glenns Ferry, we have one more year after this on the contract with Glenns Ferry with the option of one additional year. The Military Chapter is planning a campout at Three Island Crossing on 5-8 June that all are welcome to attend, so if you wish to come to it be sure to make reservations at Three Island Crossing. The Sourdough Chapter has a campout planned for late July at the campground at Fairmont Hot Springs in Montana that all are invited to as well. You can get more information from Kathy Haynes regarding this trip. You can call her at 208 867-8366.

Those of us who have been members for a while remember Larry and Maxine Laird. They were long time members of Time to Travel. Sadly Maxine passed away recently, our condolences go out to Larry and the rest of the Laird family. At this time no services have been planned.

On a brighter note, Jack Haynes was presented a quilt from Quilts of Valor last month. Congratulations to Jack for this distinctive honor. If any of the other Chapters want to mention anything about their chapters get me the information and I will put it in the newsletter.

**RV TIPS:** Plan to travel about six hours or less each day so you can enjoy the countryside and other attractions along the way. Try to check-in at your campground by 4pm, then you can set up when there is still daylight. When leaving a campground, look around your site and pick up any trash even if it's not yours.

**MONTHLY FUNNIES:** My teenage daughter thinks I'm too nosy. At least that's what she keeps writing in her diary! How did the carpenter break his teeth? He chewed on his nails. What do you call the last teeth we get? False teeth.

Your friends, Ken and Monica
